Proceedings of the Board of Revenue

(Land Revenue).

NO. 563 Misc.,dated 13th February 1899.

Read Government Order ,Financial (Dept.) NO.1194,dated 8th December 1898.

Resolution.

With reference to the G.O.read above the Board -- begs leave to state that the Accountant-General's accounts of land revenue receipts are reconciled in the Jamabandi report -- with the Collections shown in the D.C.B.accounts.(E.G. para 47 of B.P.NO.260 Sett.,dated 20-7-98). The difficulties in the way of a complete reconciliation of the Revenue and Treasury accounts in regard to receipts were pointed out in paras 5 and 6 of B.P.No 230,dated 4th June 1894. The jamabandi report affords the only convenient opportunity of attempting this reconciliation so far as it is possible,as the demand for the previous fasli is not correctly ascertained until the report is prepared. To repeat the process for the official year is impracticable as the revenue accounts are not maintained with reference to the official year.

2. The following are the miscellaneous receipts under the Board's control:-

Detailed account NO.XII B-- Interest--Interest on arrears of Revenue:Land Revenue:

....DO.....DO. ..... XXI D Scientific Departments-Examination fees:Village officers' Special Test Examination fees.

DO.....DO.....XXIII B Stationery and Printing-Sales of Gazettes &c.

Detailed Account NO.XXIII Subscriptions to Gazettes &c:
Sale of Acts and Books &c:

DO. DO. NO. XXIII C-- Stationery and Printing --Other --
Press receipts;

Private work done by Government Presses.

Advertisements and Mis:

DO. DO. NO.XXV F MIs.- Fishery receipts

Chank fishery receipts

Pearl fishery receipts

Hire of vessels(S.S."Margarita and Irene")

Sale proceeds of vessels and stores.

DO. DO. NO.XXV G:-Mis:--Mis:

Sale of skins of wild animals destroyed.

The receipts under these heads are comparatively small in amount and do not call for a reconciliation.

3. As regards charges, no departmental accounts are maintained either by the Collector or by the Board and the Collectors' as well as the Accountant-General's figures have the same origin, viz., the Treasury Accounts. This being so, a comparison of the two sets of figures would be futile as observed by the Government of India in para 5 of its letter printed at page 2 of B.P.NO.2390, dated 19th August 1885. The actual variations between the Collectors' and the Accountant-General's figures under this head are due chiefly to the omission on the part of Collectors to take account of payments made at the Presidency and adjustments ordered by the Accountant-General. In para 2 of its order NO.1598, dated 19th December 1874, Government recognized these facts and accordingly authorized the adoption of the Accountant General's figures for budget purposes.

4. In these circumstances a certificate such as is suggested in para 1 of the G.O.read above, viz., that the Board's actuals under receipts and charges are adopted from the accounts furnished by the Accountant-General will in future be appended to the Board's estimates.

I have the honour to be
Sir
Your most obedient servant
Ag.Secretary.
