Famine Expenditure.

Passing orders on the estimates of — for January and succeeding months of the year 1898-99.

GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

Read—the following papers:—

G.O., No. 113, Financial, dated 18th January 1899.

ABSTRACT.—Passing orders on the estimates of famine expenditure for December and succeeding months of the year 1898-99.

Proceedings of the Board of Revenue (Revenue Settlement Land Records and Agriculture), No. 13, dated 14th January 1899.

Read—letter from the Accountant-General, Madras, dated 6th December 1898, No. 6187.

ABSTRACT.—Forwarding statements of famine expenditure including adjustments.

Read—the following letter from E. A. DENNYS, Esq., Examiner of Public Works Accounts, Madras and Coorg, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated 12th December 1898, No. 1428 A-B. :—

With reference to the Proceedings of the Board of Revenue, Mis. No. 6774 (Rev. Sett., L.R. and Agri.), dated 22nd November 1898, I have the honour to annex a statement showing all the information that is available or can be gleaned from Divisional officers in this department of the probable book adjustments on account of famine in connexion with transactions for December and the subsequent months of the current official year. It should, however, be understood that the information is necessarily very incomplete as it is not possible to foresee what further adjustments may not have to be carried out in connexion with questions yet undecided.

2. I would add that this also disposes of the Proceedings of the Board of Revenue, Mis. No. 6927, dated 30th November 1898. With regard to the question raised by the Executive Engineer, Bellary Division, in his letter, No. 85-4, dated 22nd November 1898 (reproduced in the Proceedings), that officer has been asked to include the pay of the temporary establishment and other similar charges in the ordinary bill of his division and to debit the payments to "General establishment."

Resolution—No. 13, dated 14th January 1899.

With reference to paragraph 3 of G.Os., No. 33, Financial, dated 15th January 1898, and No. 520, Revenue, dated 12th September 1898, the Board begs to submit statements showing the actual expenditure up to the end of December 1898, as reported by the Accountant-General and the Examiner of Public Works Accounts, and estimates of the expenditure likely to be incurred in the current, the next and the remaining months of the current year.

2. The particulars of expenditure up to December 1898 under 33-G. have not been furnished by the Accountant-General, nor have the Collectors estimated for any expenditure under this head during the current and the ensuing months of the year.

3. The provision made for the current and ensuing months of the year is required for the payment of all known outstanding claims, inclusive of the allowances sanctioned to certain famine officers in G.O., No. 692, Revenue, dated 19th November 1898, and the amount of the probable book adjustments that will be necessary. The last item has been determined in consultation with the Accountant-General and the Examiner, Public Works Accounts, as directed in G.O., No. 390, Revenue, dated 15th July 1898.
