FOR ORDERS

This is an application from
 the Sanitary Engineer for ^{the} exemption
 from the provisions of art: 1159 of
 the U.S.R. of one of his surveyors
 who has to visit Cotacacundi and stay
 for more than 10 days for the purpose
 of taking surveys and levels in con-
 nection with the drainage scheme there.
 The Acct. Genl. reports that there is
 no account objection to the exemption
 being granted, provided that the sur-
 veyor maintains camp equipage during
 his prolonged halt, or that Govt. is
 satisfied that he will be put to ex-
 tra expense by his halt after the
 expiration of the first ten days.
 It is thought that this is a case
 in which exemption may be granted
 as there can be no doubt that the
 surveyor will be put to a great

deal of extra expense. Draft order
is accordingly submitted below:--

ORDER No 370 of 13-3-99
