OFFICE NOTE.

The Superintendent,
Government Press, submits
that two extensions of the
shafting are required for working
by steam two printing machines
and for one grind-stone and eight
machines used in the Binding
Department (Consisting of a Hot
Rolling Machine, Paper and
Cover-cutting machines, &c); by
these extensions work will be
facilitated. An estimate
obtained from the General
Superintendent, Public Works
Workshop for supplying and
fixing up the shafting amounts
to Rs 3460, which can be met
partly from the grant for "Cost of
materials and Stock" under
"supplies and services" for 1899-1900,
the excess being met from a saving
of Rs 1000 from the allotment of Rs 12,000
for "Europe Stores" under
"Contingencies" for 1899-1900.
