An allotment of 5.50 lakhs was sanctioned in G.O. 308 Fin dy 24-3-98 for advances in 1898-99 under the Loans Acts. This amount was first distributed among the districts as per statement annexed to B.P. 145 dy 6-4-98. With reference to subsequent surrenders and additional requirements the same amount was redistributed by the Board as per statement annexed to B.P. 366. 1-10-98
The total amount disbursed up to August '98 having been shown in that statement as Rs 93,797, it looked as if much of the amount allotted would not be spent. The attention of the Board was

therefore drawn to Rule 102 of the Rules for the preparation of Budget estimates in view of surrender being made of any portion of the allotment that is not likely to be spent during the remainder of the year. The Board now surrenders Rs 1,73,296 and submits a statement of redistribution for an balance — Rs 3,76,704. The total Expenditure up to the end of Dec: 98 amounts to Rs 2,02,578. Based on the actuals for the first 9 months, the estimate for the whole year will amount to Rs 2,70,104. There is therefore ample provision even after the surrender of the amount mentioned above. The Revised estimate for the current year was, however, fixed at Rs 4,95,000.
