OFFICE OF SANITARY ENGINEER,

Poonamallee Road (Park Town),

Madras, 6th. February 1899.

From

J. A. JONES, Esq. MEM. INST. C. E., F.R.S.E.,

SANITARY ENGINEER TO GOVERNMENT, & Inspector
of Steam-boilers & Prime-movers, (ex-officio)

To

The Secretary to Government,

Public Works Department.

Sir,

A

With reference to G.O. No. 1184, Financial, dated 7th
December 1898 communicated by G.O. No. 76 W dated the 9th.

C

Ultimo, I have the honor to point out that the amount of
receipts expected from fees was entered in the budget as
framed in this office as Rs. 2,700 but that this has been
altered to Rs. 3,500 in the statement accompanying G.O. under
reference.

D

2. It is only by increasing the fees to the maximum
that this amount can be collected and if Government desire
it to be so, it will be necessary that a notification be
issued by Government cancelling the fees notified in the
Fort St. George Gazette dated 26th. January 1897, part I,
page 141/150, and stating that they will be levied from 1st
April next at the maximum prescribed in the Madras Act III
of 1893.

I have the honor to be,

Sir,

Your most obedient servant,

[Signature]

Sanitary Engineer to Govt. & Inspector
of Steam-boilers & Prime-movers, (ex-officio)

P.S. The rules now being published under G.O. 3009 W of 24th

Note. In the CB

The larger figure was reported by the Commr of Police and adopted in fo No 1020, filed 2.8.11.98, and it was thought not necessary to reduce the figure to Rs 2,700 reported by the Inspector.

There was no intention to raise the fee levied.

The figure (2500) is only an estimate, which now turns out to be incorrect, but the difference of Rs 800 is not disturbing the estimate for 1899. If P.W.D. with Kanapur the present amount to Financial, the double estimating for these fees will be put a stop to.
