Explanatory Remarks.

(h) Represents the salary of the apothecary performing the duties of Port Health officer at the port of Mangalore minus the contribution paid upto October by the Dt Board. It had been assumed that the Dt Board would pay the moiety of the apothecary's pay for the subsequent months also & accordingly only the moiety to be borne by the Municipality had been shown in the estimate for previous months. But as the question of the contribution is under consideration (vide note (b) supra) it has been deemed advisable to include the pay for months other than for which contribution has already been paid by the Dt Board.

(i) Provision is made for the full pay of the Apothecary for February for the reasons stated above.

(j) Represents allowance of the Apothecary referred to in note (h) minus the contribution paid by the District Board till October.

(K) Represents the full allowance of the Apothecary for February
