Contribution to Local Fund Dispensaries.

Sanctioning from Provincial funds a contribution of one-eighth of the pay and allowances of the medical subordinate in charge of the Gokavaram (Gódávári) dispensary with effect from 1st April 1898.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

From Surgeon-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government (through the Accountant-General), dated Madras, 8th November 1898, No. 461.

I have the honour to solicit the sanction of Government for the payment from Provincial funds of one-eighth of the pay and allowances of the medical subordinate in charge of the dispensary at Gokavaram, Gódvári district.

2. There are sixteen Government servants at the place (one head constable and ten constables attached to the police station, one branch postmaster, one forest revenue gumastah, one forest thanadar, karnam and village munsif).

3. The contribution is claimed chiefly on the ground that the payment to the hospital assistant from Provincial funds of a fee of Rs. 5 for every *post-mortem* or wound certificate issued by him as per G.O., No. 1382, Judicial, dated the 12th August 1889, may be avoided by Government paying the usual contribution.

4. The contribution, if sanctioned by Government, can be met from the allotment provided for under "Grants to Hospitals and Dispensaries" in the budget estimate of the Medical Department for the year 1898-99.

No. 5015.

Forwarded to Government.

2. The remarks contained in my endorsement No. 4894, dated 5th instant, on a similar application apply to this case also.

NOTES CONNECTED WITH G.O., MIS. No. 410, FINANCIAL, DATED,
18TH MARCH 1899.

From the Surgeon-General with the Government of Madras, No. 461, dated 8th November 1898.

Endorsement of the Accountant-General, No. 5015, dated 16th November 1898.

For the Chief Secretary—

Please see the note in [G.O., No. 320, Financial, dated 2nd March 1899] *file*. As there are sixteen Government servants stationed at Gokavaram, the Accountant-General's remarks do not quite apply, and the usual contribution of one-eighth of the pay and allowances of the medical officer in charge may, it is submitted, be sanctioned here.

For the Chief Secretary—

With reference to the Chief Secretary's query on the note above, the following is submitted:—

(1) In G.O., No. 299, Financial, dated 13th March 1872, Government expressed its intention of "contributing towards the salaries of native surgeons and apothecaries in charge of dispensaries in cases where the benefit of Provincial services, such as Paragraph 10-Medical in letter No. 913, Financial, dated 3rd December 1888. Jails and Police, formed a main reason for employment of so highly-paid an officer,"

and in G.O., No. 397, Financial, dated 25th March 1873, it expressed its opinion that 25 per cent. of the charges would be a fair contribution from Provincial funds. G.O., No. 2019, Financial, dated 2nd December 1874, states that the contribution is to be towards the gross charges, *i.e.*, salaries and allowances.

(2) Later on, it was explained that the contribution is to be made only where there is no stationary medical officer paid by Government, on the spot, and the treatment of Government servants including the Police falls therefore on a non-Government institution.

(3) The rate of contribution was reduced from one-fourth to one-eighth in consequence of financial pressure in G.O., No. 815, Financial, dated 5th November 1888.

(4) Contributions to Local Fund and Municipal hospitals and dispensaries have been made from time to time, each application being considered on its merits.

(5) In the case of the Gokavaram dispensary, as there are sixteen Government servants, it may be assumed that the care of them falls on the non-Government institution at the place. For this reason and not for the one assigned by the Surgeon-General, *viz.*, the saving of payment of a fee of Rs. 5 for every *post-mortem* or wound

certificate given by the hospital assistant, the contribution sought is submitted, be sanctioned. As regards the invalidity of the reason assigned by the Surgeon-General, reference is requested to the endorsement of the Accountant-General, No. 4894, dated 5th November 1898, and note, dated 18th, of the Judicial Department, in G.O., No. 320, Financial, dated 2nd March 1899.
