Enclosure to R. G. No. 2803, 28.3.99.

Copy of letter from the Treasury
Deputy Collector, South Arcot, 24 Feb:
1899, to the Accountant-General, Madras.

It appears from No. 263 Fin
of 18th Instant, that a sum of Rs 66 has
been reported by you as direct plague
charges of this District from Local
Funds up to the 31st January 1899, but
the particulars of this amount are not
traceable in this office.

*
copies enclosed 2. I submit herewith two statements
one showing the total expenditure from
Local Funds up to the end of December
1898 as compiled from this office posting
register and the other showing the expen-
diture as reported by you and adopted
by Government, up to the 30th November
under Indirect and up to 31st December
under Direct charges. It will be
seen from a comparison of the two
statements that my office figures
for the quarter ending 30th June 1898,
show an increase of Rs 17-1-4, which
is due to the omission of Rs 3-5-4
plague

The Plague Commissioner, Madras.

EXPLANATORY REMARKS.

General remarks

The estimate for the current month provides for the actual requirements, having due regard to the amount likely to be spent within the month.

2 Provincial:—Adverting to para 4 of G.O. No. 285 Dmb dated 22nd January 99 directing Rs. 120 the pay and travelling allowance of Asst Surgeon Chalke as Additional Medical Officer on Plague duty at Annamalai to be shown under 24A, medical establishment, the actual amount of Rs. 118 together with Rs. 2 under Mis; sanctioned in Appendix A to the G.O. under 24 D has been transferred to 24 A.

Local One sum of Rs. 100 sanctioned under direct charge not being such, as would appear from the copy of my Treasury Deputy Collector's letter No. 4 dated 24th ultimo, already sent to the Plague Commissioner the sum has not been shown as actual expenditure.

*a. Sanctioned in G.O. No. 285, Financial, 22nd February 1897.
*b. Includes pay of the Police Force employed at Tiruvannamalai.

The provision against "City construction and repairs" shows an increase of Rs. 178 over the sanctioned amount which is due to the construction of sheds in the district other than at Tiruvannamalai. The slight increase against medicines and instruments represents the cost of medicines used by the Cuddalore District Board, awaiting payment.

S. Municipal. The apparent decrease in the estimate against "City construction and repairs" is due to the cost of the sheds under construction in Tiruvannamalai not being likely to be paid during the current month. The absence of any cost of Plague in the District accounts for the variation of other items in the estimate as compared with the provision made in previous months.
