GOVERNMENT OF MADRAS

Plague budget estimate from the Collector of North Arcot, for March 1899, dated 9th March 1899,

------:0:------

Ref. on C. No. 2986 dated 11th March 1899.

Forwarded to the Financial Department.

2. 24 D Provincial. If Dr. Costello is doing the ordinary duties of the District Medical and Sanitary Officer and does no plague work as stated in the Collector's establishment, his salary cannot be treated a plague charge but the pay of the District Medical and Sanitary Officer should be treated as such if he is solely employed on plague duty. Vide G.O. No. 284 Finl: dated 22-2-99. The list received from the Surgeon-General, however, shows that Dr. Costello is on plague duty. The estimate under contributions to private plague hospitals may be omitted as no portion of the grant of Rs 3000 has yet been spent and nothing is likely to be spent during March.

3. Local. The entry of Rs 320 in Col: 1 against matrons and nurses is evidently a mistake for Rs 3220. The expenditure of Rs 500 up to date and the estimate for the same amount relating to indirect charges referred to on page 58 of G.O. No. 285 dated 22-2-99 Finl: should have been shown in this estimate.

4. Municipal. Under G. O. No. 213 Finl: dated 11-2-99 the allowances of all the military officers and sepoys on plague duty have to be shown in the plague estimates and there is no reason to make an exception in the case of the allowance granted to Lieut: Sherrard commanding the troops on plague duty at Vellore. The allowance may be paid regimentally but

the charge is debitable to "plague".

5. 20 Police. The aggregate pay of all the Police constables on plague duty amounts to Rs 366 while a provision of Rs 324 only has been made. The authority for the grant of plague - allowance to the head constables should be quoted.

6. General. This estimate due in this office on the 5th was - received on the 10th in spite of the special request made in this office letter No. 381 dated 9-2-99.

for Plague Commissioner.
