likely to be utilized during the current month. DISTRICT OF Bellary

4. Local Troops. It is presumed the provision of Rs 8050 includes arrears as well as the charges for the current month.

5. Municipal. The establishment list received from the Collector is not complete. The pay of the Divisional and Circle Inspectors as shown in the establishment list differs from that ~~which~~ for which provision has been made in the estimate.

6. 3. A. Land Revenue. The travelling allowance of the Special Deputy Collector should have been shown separately. The correct estimate for March against "servants" is Rs 27 and not Rs 35.

7. Law and Justice. The estimate of Rs 55 against "clerks" is not understood, as there is only one clerk on Rs 25 and no arrears of salary are evidently due to him.

8. 24 A. Medical. If Dr. Illingworth has been placed in charge of the Civil Station to relieve the District Medical and Sanitary Officer of his ordinary duties (vide establishment list) and does no plague work, his salary cannot constitute a plague charge, (G. O. No. 284 Financial dated 22nd February 1899.) The list received from the Surgeon-General, however,

shows that he is on plague duty.

The provision of Rs 38 on account of "servants" is insufficient, the aggregate pay of the 4 peons and 2 lascars being Rs 48.
