Proceedings of the Plague Commissioner.

READ—

Plague budget estimate from the President, Municipal Commission, Madras, dated 4th March 1899 H. No. 1557/B.P.

Ref. on C. No. 2807 dated 10th March 1899.

Forwarded to the Financial Department.

2. The provision on account of charges for inoculation may be omitted, as it has been already entered in the estimate furnished by the Sanitary Commissioner.

3. Only a sum of Rs 617 has been paid as contribution to private plague hospitals and the Plague Commissioner does not think that any further amount will be paid during this month.

4. The allowances granted to subordinate officers seem highvide remarks on the last month's estimate. The President will be requested to state on what principle they have been fixed. The passport examiners are allowed a carriage allowance of Rs 20 each, but the Plague Commissioner understands, they examine the passports at a fixed place and are not required to travel about. The grant of plague allowance to the office manager and head clerk seems opposed to the principle enunciated in para 4 (b) of the Government of India Resolution printed in G. O. No. 1506 L dated 17-8-98, unless these officers have been employed outside the office; the President will be requested to report for what duties the allowances are granted.

for Plague Commissioner.

To

The Financial Department, with estimate

The President, Municipal Commission, Madras.
