Telephonic message from the Chief Secretary, to the Accountant-General, dated 3rd March 1899.

Your statement of indirect charges under Provincial incurred in connection with the plague for December 1898. Please report the names of officers for whom the expenditure of Rs. 487-5-4 and Rs. 1,012-9-7 shown against Cuddapah and South Canara, respectively, under 24, A. Medical was incurred. According to G.O., No. 284, Financial, dated 22nd February 1899, the pay of the Medical officers on plague duty is a direct charge and should be shown under 24-D. Grants for Medical Purposes. The sum of Rs. 600 shown against Madras under the same head does not appear to have been included in your telephonic message, dated 18th February last, in which the actual expenditure up to 31st January under indirect charges was reported.

pointed out in this office letter, No. 658, dated 18th February 1899, that these amounts should be excluded from plague charges. The sum of Rs. 600 shown against Madras is made up of Rs. 500 paid to Dr. Rendle, Resident Physician, General Hospital, Madras, and Rs. 100 paid to the Reserve Medical subordinate employed in the Surgeon-General's office on plague work. Former amount was not included in the telephonic message, dated 18th February 1899, as it was not considered as forming part of plague charges (indirect) as stated in the concluding portion of the above message. The latter amount was included in item 3 for Rs. 838-4-6 shown in the telephonic message above referred to.

The following letter from the Acting Collector of Salem, dated 13th March 1899, No. 558/P., :-

With reference to your Proceedings No. 2800 dated 10th instant I have the honour to state as follows:-

2. Paras 2, 4 and 6. No provision was made in the estimate for men spared from existing establishments for plague duty pending reply to my reference No. 489 dated 28th ultimo.

3. Para 3. Swaminatha Pillai, one of the hospital assistants attached to the Jalarpet inspection station, is a first class hospital assistant on Rs 55 and the entry (Rs 25) in Col: 4 of the establishment list against his name is a mistake and it is requested that it may be corrected into Rs 55.

4. Para 5. As the hospital assistant appointed for plague duty entered upon his duties in the current month, his name was not shown in the establishment list.

5. 20 Police. The difference between the provision made in the budget and the salary of the men shown in the establishment list is due to the fact that the former represents the temporary additional establishment sanctioned in connection with plague, while the establishment list includes also men spared from the ordinary establishment for plague duty. No provision was made in the estimate in respect of the ... for the reasons stated in para 2 above.

Forwarded to the Financial Department in continua... of this office Ref. on C. No. 2800 of 99 dated 10-3-99.

The Collector's reference, referred to in para 2 has be... replied to in Plague Commissioner's letter No. 751 - dated 16-3-99, wherein his attention was drawn to the ... modification of G. O. No. 215 Finl: dated 11-2-99, under
