Sir,

I have the honour to request that, in the exceptional circumstances stated below, the Government will be pleased to permit the Sub-registrar of Talavadi, in the Coimbatore District, to disburse his pay and commission as well as the salary of his Establishment out of the collections of his Office.

2. The Sub-registry Office of Talavadi is not a treasury station and the collections have therefore to be remitted to and the bills cashed, at the Kollegal Sub-treasury. The peon who has to take the remittances or cash the bills has to travel a distance of seventy miles to and fro, the greater portion of the journey lying through the Mysore territory. The road is not always safe and the Registrar of Coimbatore writes to say that at present, owing to the prevalence of plague, the peon runs the risk of being detained, with money, at any time - on his way, as well as of catching and spreading the contagion.

3. The Registrar also points out that the proposed arrangement, if sanctioned, would lead to some saving in the travelling allowance now being paid to the peon, as the collections made in the office do not exceed the disbursements during ten

months
