Order—No. 714 L., dated 28th March 1899.

The necessary applications for loans required in the current year will accordingly be made to the Government of India on behalf of the District Boards and Municipal Councils noted in the margin. An examination of the revised estimates of the Cuddapah District Board and the Ootacamund Municipal Council for 1898–99, since received, shows that these bodies will be able to meet the plague charges during the year without a loan from Government and no application will therefore be submitted on their behalf.

The Accountant-General is requested to place at the disposal of the other Municipal Councils referred to in paragraph 1, as a temporary measure before the 31st March 1899, the sums noted against each by re-appropriation from the grant of Rs. 77,400 for the Tirupati water-supply scheme provided in the estimate of Provincial grants to Municipalities for the current year and to recoup the amounts from the loans, when sanctioned.
