Stationery Articles.—Approving and sanctioning the scale proposed by the Collector of Cuddapah for the supply of — to Minor Irrigation Overseers and stating that no adjustment is necessary as they should be issued from the Collector's stock.

PROCEEDINGS OF THE BOARD OF REVENUE
(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—the following letter from A. C. TATE, Esq., Collector of Cuddapah, to the Secretary to the Commissioners of Land Revenue, dated 6th December 1897, Ref. on C. No. 1648-Acc.:—

The distribution of stationery articles to Minor Irrigation Overseers in this district is not made on an uniform principle. One Tahsildar supplies coloured pencils, while another does not; pen-holders are given at four per annum by one, and two by another, and so on. The stationery rules speak of the supply of mathematical instruments and drawing materials, but they are silent in regard

to supply of stationery articles to Minor Irrigation Overseers. I have the honour to propose a scale as detailed in the margin for sanction.

2. I request also the favour of orders as to whether any adjustment is necessary for stationery supplied to this class of officials.

Transferred to the Settlement Department.

(Signed) L. D. SWAMIKANNU,
Assistant Secretary.

RESOLUTION—No. 51, dated 3rd February 1898.

The scale proposed by the Collector in his letter read above for the supply of stationery articles to Minor Irrigation Overseers is approved and sanctioned.

2. With reference to paragraph 2 of his letter, the Collector is informed that no adjustment is necessary as the stationery referred to should be issued from the Collector's stock as directed in B.P., No. 3, dated 8th January 1895.
