EXPLANATORY REMARKS.

General Remarks

The estimates for the year in respect of 'salaries' and 'establishments' have been calculated on the establishments now working in the District, and the estimates under other heads have been fixed approximately with reference to the expenditure in 1898-99. The surplus funds out of the amount sanctioned in G.O. No. 1259, Financial, dated 28 December 1898, may for the present be held as Lump Allotments for the District as it is not possible to forecast any extraordinary expenditure on account of Plague. The grants under 'Provincial' may be similarly retained for the present as no expenditure under this head also could be foreseen.
