EXPLANATORY REMARKS.

(i) The budget sent by me made provision of Rs 450 under this head, but it has been omitted in G.O. No. 1259 dated 28.12.98. While the estimate made by me under "Plague allowance" and "ward attendants and servants" has been increased I have already brought to the notice of the Plague Commissioner in my letter No. 326 that this charge is a necessary one and requires allotment. The figures in columns 3, 4 and 6 show the full pay of the Apothecary employed at the Mangalore Port as Health Officer, as it is not yet decided whether the District Board is to pay a moiety of it hereafter or not (vide note (b) Supra). Similar provision has been made under "Plague allowance".

(j) Government sanction has not yet been received for the Budget under this head which was incorporated in my general Plague Budget Div No. 702 dated 30.11.1898.
