NOTE FOR THE C.A.

Carpienham has not been notified as a Railway Inspection Station; but a hospital assistant is entertained at that station for examining the passengers arriving ^{there} at that place with reference to para 2 of G.O. No 1105 P dated 17th September 1898.

Orders are submitted as to whether, in the case of large towns or stations where a hospital assistant is entertained for examining the passengers, provision should be made for his pay under Provincial. It was thought that ~~only~~ the Subordinate Medical Staff ^{only} at the stations formally notified as Railway Inspection Stations should be shown under Provincial.

If it be decided that the hospital assistant should also be included, the figures under Provincial will have to be increased by Rs 120 per each quarter than under Municipal correspondingly ^{read}.

Revised draft put up.
