No. *N 880. 877-3-99*

The entries in the column of "Present Scale" have been compared with the Registers of this office, and are correct with the exception of the items altered in red ink.

2. The proposed charge is within the sanctioning powers of the Local Government.

3. It is now too late to ask the Government of India to include the provision on this account in the next year's budget as the amount is too small. The attention of the Supdt. of stamps may therefore be drawn to the last sentence of Rule 70 of the Budget rules which says that all increases of establishment should be fully considered and disposed of prior to the time of preparing the budget. With the permission of Government however the requisite provision may be entered by reducing the sum of Rs 1,000 for "Freight for Champion Stamps sent to Districts."

Officer's Designation

Acting Secretary

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the

Board of Revenue, Separate Revenue, Misc. No. 755, dated 21st February 1899 on letter from the Superintendent of Stamps, No. 10, dated 3rd January 1899 requesting the Board to take necessary action for the appointment of a Tinker and Carpenter on Rs. 15 per mensem with an assistant on Rs. 6.

Resolution.

The Superintendent of Stamps has brought to the notice of the Board that the services of a full time Tinker and Carpenter and of an assistant are required for opening and closing stamp cases, wiring and sealing with lead, cases for despatch and for the preparation of tin cases for sending parcels of stamps from the Stamp office. It is reported that the work was formerly done by piece workers and that as that system was found to be very expensive it is now being performed by men who are paid monthly wages from the grant for office contingencies. The present practice being however irregular, the Superintendent requests that a tinker and carpenter on Rs. 15 and an assistant on Rs. 6 per mensem may be added to the permanent establishment of the Stamp Office. The Board supports the proposal and requests that the sanction of Government may be accorded for the permanent entertainment of the additional establishment with effect from the 1st March 1899.

2. The necessary proposition statement in duplicate and an application for additional allotment of Rs. 252 to meet the cost of the additional establishment during the next year are herewith forwarded for the sanction of Government.

Read also Endorsement of the Accountant General thereon, No. 880, dated 7th March 1899.

The proposition statement is sanctioned.
