SUPERINTENDENT OF STATIONERY,

To

Through

The Accountant General,

Sir,

Port Saint George.

I have the honour to submit herewith an application for an additional grant of Rs.5000/- required to meet the packing, despatching and other contingent charges of this office for the remaining portion of the year 1898-99. Against Rs.1700 and Rs.12000 sanctioned for packing and carriage of stationery respectively in G.O.No.825, Financial, dated 5th October 1897, Rs.1907 and Rs.9630 were expended during the first four months of the year, as detailed in the margin.

July "	" 726-11-8	" 2090-0-9.
	Rs.1907-0-9	Rs. 9630-0-11.

The increase of expenditure is chiefly due to the supply of stationery to the Educational Department for the first time and to the unusually large number of supplemental demands for locks and other articles..

2. Rs.4500 shown as the probable expenditure for the remaining period of the year under "Carriage of stationery" (provides

provides for a sum of about Rs. 1000/- for payment to the cart contractor, who has not yet submitted his bill for services rendered by him since April. He has been fined for this delay.

3. The figures under "Probable expenditure during the remainder of the year" are based upon the expenditure of the last three months of last year viz, January to March 1898.

4. The increase under postal charges is due to the advance in the amount of correspondence and to the larger number of invoices etc which have had to be issued. The telegraph charges have been enhanced by the receipt of telegrams which needed similar replies and by urgent demands for articles which had to be obtained from Calcutta or Bombay.

5. The item under which re-appropriation is available is "Landing and Shipping charges" as explained in the statement enclosed, but not more than Rs. 1785/- will be available.

6. I regret therefore to be under the necessity to ask that sanction may be accorded for the additional grant applied for to meet the charges under the heads shown in the accompanying statement during the remaining period of the current year.

I have the honour to be,

Sir,

Your most obedient servant,

J. N. Atkinson

Superintendent of Stationery.
