Plague budget estimate of the North Arcot District, for April 1899.

-----:0:-----
Ref. on C. No. 3769 dated 2nd April 1899

Forwarded to the Financial Department.

2. Provincial 24 D. The pay of Dr. Lancaster has been included in the estimate. The Collector is requested to report whether this officer has been entirely relieved of his ordinary duties of the District Medical and Sanitary Officer and deputed exclusively to plague work. If he is still in charge of the civil station his pay cannot be shown in the plague estimate.

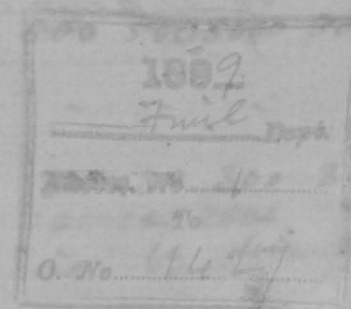

3 The provision made in Col: 3 against clerks and servants appears to be excessive. The appointment of clerks and peons for the special plague officers at Arcot and Wallaja, and the additional Medical Officer at Arcot, for whom provision has apparently been made, were sanctioned only at the close of March 1899.
