NOTE FOR THE C.A.

the proposal has the [illegible] approval [illegible]

Our draft order is below in this file. One of the distribution lists furnished by the S.G.P. having been incomplete, a further reference was made to him regarding it. He suggested that the Legislative Dept. might be referred to. It was there ascertained that a draft order on the same lines as proposed in Financial was issuing in that Dept. In view of that order, it was not considered necessary to take further action in this Dept. and it was thought that the matter might be brought to C.A.'s notice on receipt of the Legislative Dept. order.

2. The only point to be considered is whether the existing practice is to continue of the Sect. Library circulating
