READ—

Plague budget estimate from the Inspector-General of Police for April 1899.

Ref. on C. No. 3964 dated 14th April 1899.

Forwarded to the Financial Department.

2. There appears to be some difference between the establishments for which provision has been made in this estimate and those reported by Collectors in their establishments lists, and in the case of the following Districts the Inspector-General's estimate would appear to be not adequate:—

District	I.-G's estimate	aggregate amount of pay of the establishment reported by Collectors.
1. Bellary	Rs 740	Rs 888
2. Chingleput	Rs 130	Rs 229
3. Salem	Rs 736	Rs 1024
4. The Nilgiris	Rs 209	Rs 216

3. The Inspector-General is requested to state whether this estimate provides exclusively for the salary of the establishment or whether it includes provision on account of travelling allowances also.

4. The Acting Assistant Inspector-General will be requested to sign future estimates.

5. The despatch of the duplicate copy of the estimate is requested.

Note

The monthly cost of the police force employed on plague duty in the districts is Rs 5453. The cost during the month of April is only Rs 4990 as the establishment entertained newly in the Salem district is to be paid only for a portion of the month (March 1899). The amount that will be required for the first quarter is Rs 4990 + 5453 + 5453 = 15896. For the second quarter, Rs 5453 x 3 = 16359. For the remainder of the year it is 32748 or Rs 32745 for the purpose of rounding. The total estimate for the year will amount to Rs 65000.

2. In G.O. No. 1246 Dtd dated 17th December 1898, only a sum of Rs 24,000 was entered as the Budget Estimate for 1899-1900 with reference to the then existing establishment. Additional establishments have been since entertained in some districts and the officers deputed from the reserve are also shown as men on plague duty in the estimates with reference to G.O. No. 215 Dtd dated 11th February 1899.
