This statement is forwarded with reference to the Plague Commissioner's letter Ref. No. Car 3096 dated 11th Instant. In regard to the concluding portion of para 1 of the letter quoted, the undersigned is of opinion that no reduction in the establishment for the district is possible as in the present condition only so much staff as absolutely necessary has been maintained for observation & inspection.

with reference to G.O., No. 868, Financial, dated 11th October 1898.

READ—

Plague budget estimate of the Nilgiri District,
for April 1899.

Ref. on C. No. 3288 dated 24th March 1899

Forwarded to the Financial Department with reference to
this office Ref. on C. No. 3096 dated 11th March 1899.

2. Provincial 24 A. A provision of Rs 240 will be made on
account of the pay of the temporary clerk on Rs 20 sanctioned
for the additional medical officer in G.O. No. 316 Public
dated 13th March 1899.

3. 24 D Local. Plague allowance. The monthly estimates will
be reduced to Rs 30 and the figures on cols: 6 and 7 to Rs
300 and 360, respectively, as the allowance of the 3 hospital
assistants amounts to Rs 30 per mensem.

In the case of "ward attendants and servants" provision
should be made for their consolidated pay as sanctioned in
this office Pro: No. 355 dated 8-2-99. The establishment
list shows 8 servants on Rs 10 and 2 on Rs 8, but provision
has been made for only 7 of the former and 1 of the latter.
The provision made on account of the dhoby on Rs 12 at Gudalur
is unnecessary as his services are reported to have been
dispensed with.

Municipal. There are already 2 hospital assistants on Rs 25
each in Ootacamund Municipality and the required provision
finds place in cols: 3 and 4. The Collector provides for the
employment of a 3rd class hospital assistant. His appointment
has not yet been sanctioned and the amount in col: 7 may
therefore be reduced to Rs 300. The estimate under "plague
allowance" in cols: 3 and 4 may be reduced to Rs 20 in each.
A provision of Rs 30 is necessary on account

Collector.

allowance (Rs 15) of the divisional inspector and Rs 15 of the hospital assistant, Ootacamund Municipality. Provision is also required on account of the pay of the 2 watchmen on Rs. 15 and 7 and a peon on Rs 8 shown in the establishment list.

R. S. M. S. S. S.

CURRENT No. 1550 Finl

Proceedings of the Plague Commissioner.

READ—

The following letter from the Collector of the Nilgiris, dated 1st April 1899, P. C. No. 145/1899 :—

I have the honour to reply to your Proceed^d—
Qings R.C. 3288 dated 24th March 1899, on this office plague estimate for April 1899.

24A Provincial. The provision referred to was not made in the estimate as the G.O. 316A/13-3-99 was received after the despatch of the estimate.

24 D Local. In the case of the "ward attendants and servants" provision was made for only 7 servants on Rs 10, and one

servant on Rs 8 in accordance with the annual estimate for 1899-1900. Subsequent to the despatch of the annual estimate

the excess number referred to in your Proceedings was entertained; consequently the original figures in cols: 3, 4

5, 6 and 7 may be altered into Rs 338, Rs 338, Rs 2804, Rs 3380 and Rs 4056 respectively.

Municipal. The remarks regarding the hospital assistant are not understood. Provision was made in this office estimate for 2 hospital assistants only and the entertainment of a 3rd officer was never contemplated. The provision for the pony allowances and the pay of the watchmen and the peon will be included in the estimate.

Ref. on C. No. 3882 dated 10th April 1899.

Forwarded to the Financial Department in continuation of Ref. on C. No. 3288 of 99 dated 24-3-99.

2. The provision for ward attendants and servants should not have been restricted to the establishment enumerated in G.O, No. 1259 Finl: dated 28-12-99 alone. Provision should always be made for the establishment actually in existence.

3. The Collector's remarks on page 7 of the estimate referred to a proposal to employ "another hospital assistant". As there were then already two hospital assistants according to the establishment list, the Plague Commissioner naturally thought that a third hospital assistant was proposed to be entertained.

Thomas Parman
13/4/89
