CURRENT No. 4812

R. Morris Esquire,

PRESIDENT, DISTRICT BOARD

KISTNA.

To

THE CHIEF SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENT,

MADRAS.

SIR,

Mr. S. F. Lusk medical officer in charge of the Plague Hospital, Kondapalli, having fallen sick during the month of May 1898, Civil apothecary P. Venkatasubbayya, attached to the municipal hospital at Secyada was deputed by the District Medical and Sanitary officer to perform the duties of the medical officer and was in charge of the Hospital from 13th to 26th May 98. The work this Civil apothecary did was therefore not of a subordinate but that of a superior officer, his position being analogous to a Civil apothecary appointed to act as assistant Surgeon. His pay and allowance for the period in question should therefore under the spirit

of G.O. dated 4th September 97 No. 720 Financial Depart. I have
ment be met from Provincial funds.

2. The Accountant General has however objected to the charge
on the ground that under the same G.O. the cost of subordinate
medical staff should be borne by Local Funds. He has
omitted to notice that while Civil Apothecary P. Venkatasubbappa
is a member of the subordinate staff, he was on this occasion
specially delegated to do work which should ordinarily be
performed only by a superior officer.

3. In these circumstances I request that the Government
will be pleased to authorize the Accountant General to
admit the charge against Provincial Funds.

I have the honor to be
Sir

Your most obedient servant

For the purposes of G.O. No. 720 Finl.
dated 4th September 1897 the most convenient line of
distinction between "Superior Medical Officers" and
"Subordinate Medical Staff" is one that has regard
to the appointments held by rather than to the duties
performed by officers, and it has been the practice of
this office to observe distinctions accordingly.

In the present case as the officer held the appoint-
ment of Civil Apothecary he was treated as belonging
to the "Subordinate Medical Staff" for the purposes of the
order in question. Under G.O. 479 dated 4th April '99
however the allowances of the Civil Apothecary would
be debitable to provincial for the period in question, if as
appears to be the case the Kondapalli Hospital is main-
tained for the treatment of travellers detained at an
inspection station, and the officer performed his duties
in connection with that hospital to the exclusion of those connected
with the Municipal hospital.
