February 1899.

Reference ^ANo. 28 dated 27th February 1899.

With the paper read above, Mr. L.T. Harris, acting Special Assistant Agent, Vizagapatam, submits for sanction a bill for Rs 185-9-0 being the charges incurred by him for conveying his camp equipment and horses by rail on his transfer to that district from Nellore. Mr. Harris explains that the delay in the submission of the claims was due to the neglect of his late Head Clerk who recorded the correspondence on the subject without his orders. As the

Claim will be more than 2 years old when the bill is actually presented for payment the sanction of Government is requested for its being investigated by the Account Department, with reference to Government Order no 1422 Revenue, dated 9th April 1896.

3. The Board considers that the charges are admissible under article 1093 of the Civil Service Regulations.

C. No 1502.

In February 1897 relief by Mr. Venugopalachetty, Mr. Hanis who was acting as Head Assistant Collector, Bellary, came to Madras, during the joining time and when at Madras he was directed to hold himself in readiness at Madras to proceed fully equipped to the Central Provinces on famine duty. The Chief Commr. had asked for the services of two junior civilians and Mr. Hanis was one of the two selected for being deputed to the Central Provinces. But want of knowledge of Hindustani stood in his way and he was not sent to the Central Provinces but posted to Vizagapatnam.

2. The claims in the bill were

In travelling allowances claimed by Mr Hanis are the following:-

(1) Railway fare for two ponies from Bellary to Madras Rs 30.

(2) Railway fare for two ponies from Bellary to Madras Rs 9.11.0

(3) Carriage Railway fare for two ponies from Madras to Waltair Rs 14.5.11.0

Mr Hanis bases his claim on the first two items on orders received to be in readiness at Madras fully equipped.

As regards the third item Mr Hanis says that instead of taking his ponies by steamer he preferred the coastwise railway route to avoid the risks incidental to a journey by steamer and as he had a fair way of more than 100 miles to make by road from Waltair to reach his destination, Koraput.

3. In its Resolution No 998 P. dated 2nd March 1896, the Govt of India has ruled that

that an account officer shall unless he receives special orders from the Local Government, refuse to investigate claims to arrears of pay or allowances or to increments which have been allowed to remain in abeyance for a period exceeding two years.

The delay of about two years in the submission of his bill is explained by Mr Hanis as due to the neglect of his late head clerk. The Board of Revenue appears to be satisfied with the validity of the claim and recommends that sanction of Govt may be accorded for the investigation of the claim by the Act. General.

4. The Act. General offers no remarks but merely refers to a letter of his pending disposal.

There are two points for
order:

- (i) The admissibility of the
claim under § 1093 of the C. S.R.
- (ii) Its admission after a
lapse of two years

Point (ii) has been satisfactorily
accounted for. As regards (i),
it is out. that there cannot
be the slightest doubt in
regard to the charges for
carriage of camp equipment

Madras. The charge for
conveyance of horses by rail

seems fair, but perhaps the disposal of

The whole claim

the case was
