The following letter from the Collector of Ganjam, dated 21st April :-

A

With reference to para 2 of G. O. Financial No. 486 dated 7th April 1899, I have the honour to forward herewith a revised quarterly estimate making due allowance for the out-break of plague in Calcutta.

2. I have recently received intimation of 4 suspected - imported cases at Balasore. Should the plague further extend to Cuttack it will be necessary at once to construct the inspection station at Kallikotta road.

3. I have therefore under petty construction and repairs (Local) provided Rs. 2000 for current quarter and Rs. 2000 for next quarter with a view to the construction of the camp No further re-adjustment of charges beyond those contained in the G.O. referred to above is, I consider, at present necessary.

Ref. on C. No. 4567 dated 1st May 1899.

A

Forwarded to the Financial Department with reference to G. O. No. 486 Finl: dated 7-4-99.

B

2. It may be necessary in the near future to construct a railway inspection station at Kallikotta and provision may be made for it. Under G. O. No. 479 Finl: dated 4-4-99, the cost of the inspection station will be Provincial. Provision is required not only for a camp but also for the necessary inspection and subordinate staff. For the former the Collector's estimate may stand for the latter, the scale of expenditure at Hospet may be adopted.

Note

The Collector of Gaujam submits
a revised quarterly estimate of
plague charges making due allowance
for the outbreak of plague in
Calcutta. In doing so he adopts
the same figures as those entered
by Government in its review on the
original estimates - vide G.O. No 486
Financial dated 7th April 1899 -
with the single exception that under
Local his estimate is Rs 1000 more
than the figure adopted by Government.
This excess is distributed by the Collector
under Petty Construction and Repairs
between the first two quarters. The
figures are as shown below:-

Petty Construction and Repairs

	Figures adopted Govt.	Figures now entered by the Collector
1 st quarter	1500	2500
2 nd quarter	1500	2000
Remainder the year	2000	2000
Total	5000	6500

* in the absence of the appendices to the plague
estimates (in the press), it is difficult to say
whether this was the figure entered by Govt.

Current No 1737 from the Plague
Commissioner.

The Collector of Gaujam submits
a revised quarterly estimate of
plague charges making due allowance
for the outbreak of plague in
Calcutta. In doing so he adopts
the same figures as those entered
by Government in its review on the
original estimates - vide G.O. No 486
Financial dated 7th April 1899 -
with the single exception that under
Local his estimate is Rs 1000 more
than the figure adopted by Government.
This excess is distributed by the Collector
under Petty Construction and Repairs
between the first two quarters. The
figures are as shown below:-

	Figures adopted Govt.	Figures now entered by the Collector
1 st quarter	1500	2500
2 nd quarter	1500	2000
Remainder the year	2000	2000
Total	5000	6500

* in the absence of the appendices to the plague
estimates (in the press), it is difficult to say
whether this was the figure entered by Govt.

The Collector considers that no further re-adjustment of charges beyond those contained in f.o. No 486 Dtl dated 7th April 1899 is necessary. The Plague Commissioner, however, suggests that provision may be made in the estimates for the construction of a railway inspection station at Kallikota and that, as regards the necessary inspection and subordinate staff, the scale of expenditure at Hospet may be adopted. The cost of the subordinate medical staff at Hospet amounts to Rs 305 per annum. If an ^{Asst Surgeon} ~~additional medical officer~~ be entertained at Kallikota as in the case of Hospet, an additional sum of Rs 325 will have to be provided in the estimates.

As the estimates now submitted by the ^(with slight difference) contain almost the same figures as those entered by government, it is submitted that no alteration need be made in the plague estimates recently passed. The plague has not broken out in Cuttack and the provision for the superior and subordinate medical ~~to be entertained at Kallikota~~ made in the next estimates ^{due} ~~due~~ in July next.

* The Colr considers it necessary to construct the inspection station at Kallikota road.

* 2 Nurses Rs 100 each = 200
 3 Hospital Assts = 75
 Plague Allowance ^{per} = 30
305

If, however, it be decided that provision should be made in the estimates for the quarter ending 30th June 1899, the necessary alterations will be made ^{under Provincial} after getting a copy of the f.o. which has been recently passed & is now in the press.

A copy of f.o. No 569 Financial dated 3rd May 1899 - passing orders on the estimates of plague expenditure for the quarter ending 30th June 1899 - is put up as directed. Flag D shows the estimates of the Ganjam district under Provincial, Flag E under Local and Flag F under Municipal. The

imates accepted by Government and
The now submitted by the Collector of
revenue are compared below: -

	Estimates accepted by Government Rs	Estimates now submitted by the Collector Rs
Provincial	7300 D	7300 G
Local	15000 E	16000 H
Municipal	33000 F	33000 I

From the above it will be observed that
the revised estimates now submitted by the
Collector are the same as those accepted
by the Government with the exception that the
Collector's estimate under Local is Rs 10000
more than that accepted by Government.
This difference is distributed over several
detailed items. As regards Petty Construction
and Repairs, the estimates accepted by Govt
and those now revised are the same as
shown below: -

	Figure adopted by Govt. E Rs	Figure shown in the Revised estimate G Rs
1st Quarter	1500	2000
2nd Quarter	1500	2000
Remainder of the year	3000	2000
Total	6000	6000

to be maintained at
in the Rs 2000 forecast
due in 8

of the first two quarters for the construction
of the plague camp and Rs 2000 for
the remainder of the year.

With reference to the Plague,
Commissioner's remarks in para 2
it is submitted that as the plague
has not broken out in Cuttack
the cost of the inspection station
to be opened at Hallikota and of
the necessary superior and subordinate
medical staff to be entertained
there may be provided for in the
next estimates. No amount has been
spent in Jangam under Provincial
during April 1899 while only a sum of
Rs 6 has been expended under Local
in that month.
