GOVERNMENT OF INDIA,

MILITARY DEPARTMENT.

Fort William, the 21st February 1899.

To

THE ADJUTANT-GENERAL IN INDIA.

SIR,

I am directed to acknowledge the receipt of your letter No. 1816-P.V.-O, dated the 1st October 1898, submitting revised proposals for the clerical establishments of the offices of the Principal Veterinary Officer in India and Inspecting Veterinary Officers of Commands.

2. In reply I am to say that the Government of India sanction the employment of the following establishments for the offices in question, with effect from the 1st April 1899:—

*Office of the Principal Veterinary Officer in India.*

1 Clerk on Rs. 100—10—150 as at present.

1 Clerk on Rs. 50—4—70 } Additional.

1 Clerk on Rs. 30—2—40 }

The office allowance of Rs. 80 per mensem to be discontinued.

*Office of the Inspecting Veterinary Officer, Punjab Command.*

1 Clerk on Rs. 50—4—70,

1 Clerk on Rs. 30,

in lieu of the office allowance of Rs. 80 per mensem at present granted.

*Office of the Inspecting Veterinary Officer, Madras Command.*

1 Clerk on Rs. 50,

1 Clerk on Rs. 30,

in lieu of the office allowance of Rs. 80 per mensem at present authorised.

*Office of the Inspecting Veterinary Officer, Bombay Command.*

1 Clerk on Rs. 50 as at present.

1 Clerk on Rs. 30, additional.

3. I am to add that the Government of India are of opinion that no sufficient reason has been given for increasing the pay of the first clerk in the office of the Principal Veterinary Officer in India as proposed. As regards peons, the Government of India do not consider that a separate menial establishment is required for these small offices, forming as they do part of the Army Headquarters or Command offices. Being located in the same building they should in each case share the menial establishment of those offices.

A further communication will be made with reference to the point raised in paragraph 9 of your letter under reply.

I am,

Sir,

Your most obedient servant,

*Depy. Secy. to the Govt. of India.*

From

The Deputy Adjutant General, Madras Command,

To

The Chief Secretary to the Government of Madras,

Sir,

I have the honour to forward herewith an indent for stationery for the year 1899-1900 for the Veterinary Section of the combined offices of the Madras Command, and to request you will be so good as to authorise the Superintendent of Stationery to supply the articles therein mentioned at an early date.

2. The Inspecting Veterinary Officer has hitherto drawn an office allowance from which the stationery required was met, but as this allowance has been stopped and the office of the Inspecting Veterinary officer has been included in the combined offices (Vide Government of India Military Department letter No. 1982 G.D. dated 21st February 1899, Copy enclosed), a separate indent for this section is now submitted. In future the stationery for the Inspecting Veterinary officer's office will be included in my annual indent.

I have the honour to be,

Sir,

Your obedient servant,

*C. Simpson*

Br-General,

Deputy Adjutant General.

Stationery & misc. articles

*C.S. I had some difficulty in getting papers on the subject. After making things a little clearer I discovered a number of similar cases which should be continued in 1899-90. All ordinary supplies should be continued to be made by the Government, but as this is a new change which has arisen during the currency of the present contract the fact of which should be allowed. Please see note subject to put up.*

ORDER

*See enclosed draft*

The Superintendent of Stationery will be requested to supply the articles indented for at an early date.

2. As the cost of the stationery to be supplied to the Inspecting Veterinary Officer is a new charge which has arisen during the currency of the present Provincial Contract, the Govt. of India will be requested to authorize the Accountant-General to adjust the actual cost of supplies to the credit of Provl. revenues through the Land Revenue head in <sup>12</sup>accounts of the current and <sup>12</sup>the next two years of the ~~current~~ <sup>Govt. of India</sup> contract. In view <sup>12</sup>of the actual charges being known, the Deputy Adjutant-General will be requested to continue to forward separate indents for the supply of stationery to this section of his office for the next two years, and not to include ~~it~~ <sup>the indent</sup> in his annual

annual indent as proposed in para 2 of his letter.

LETTER

To

The Secy. to the Govt. of India,  
Finance and Commerce Dept.

Sir,

I am directed to forward a copy of the proceedings of this Govt. marginally noted, *from which* it will be seen that the office of the Inspecting Veterinary Officer ~~having been included~~ in the combined offices of the Madras Command *margin* the Govt. of India, Military Dept. letter No. 1982 G.D., d/ 21st February *1881*, and *the withdrawal of the* office allowance of Rs. 80 per mensem, from which the cost of the stationery required by that officer ~~was~~ *has* hitherto *been* met, ~~having been withdrawn~~, the Deputy Adjutant General has submitted an indent for the supply of stationery estimated to cost about Rs. 355 *for* the current year, for the *this* section of the *his* combined offices of the Madras Command. The Supdt. of Stationery has been authorized to comply with the indent, *and* I am to request that *as this new* charge *is a new one which* has arisen during the currency of the present contract *which was not contemplated when the contract was settled* the necessary orders may be issued for *may be met by an* the adjustment of the cost of actual supplies

supplies to the credit of Provl. revenues through the Land Revenue head in the accounts of the current and the two succeeding years of the ~~current~~ *existing* contract. The case, it will be observed, is analogous to that disposed of by the correspondence ending with Finance and Commerce Dept. letter No. 4308 d/8th Sept. 189 in connection with the supply of stationery to the Bengal, Bombay and Hyderabad Contingent troops in Upper Burma during 1886-87, 1887-88 and 1888-89.

Note

The office of the Inspecting Veterinary Officer having been included in the combined offices of the Madras Command by Govt. of India, Military Dept., letter No.1982 G.D., d/ 21st February 1899, and an office allowance of Rs.80 per mensem from which the stationery required for that officer was met, having been withdrawn, the Dy. Adjutant-General, Madras Command submits an indent for stationery required in the current year for the Veterinary Section of the Combined Offices. As this throws a new charge on Provl. which was not contemplated when the present contract was settled and <sup>which</sup> has arisen only during the course of the contract, it is submitted that the Govt. of India should be addressed in view to the actual cost of supplies of stationery to the Veterinary Section of the Combined Offices of the Madras Command being adjusted in the accounts of the current and the next 2 years of the contract period, to the credit of Provl., through the Land Revenue head. The case is analogous to that disposed of by the correspondence ending with Finance and Commerce Dept letter No.4308, d/ 8th Sept. 1890, in connection with the supply of stationery to the Bengal, Bombay and Hyderabad

2. A draft is submitted below for  
approval.

For the C.S.

It appears to be very  
doubtful whether India will  
admit the equity of an adjustment.  
It will probably argue that the  
supply of Stationery to the  
Military <sup>Officers in Mysore</sup> Dept. has been a  
service which has hitherto been  
rendered by Provincial, and  
that slight changes in executive  
arrangements, like the present,  
do not raise a claim for a special  
adjustment. Applying the  
principle in § 1368 of the C. A.  
Code, the expenditure in this case  
falls against Prov. by the application  
of the ordinary rules of account.  
The 1890 case quoted above is  
not altogether to the point, since  
in that case India admitted  
against Imperial only such  
expenditure as was connected with  
troops not belonging to the Madras  
Command. The expenditure in  
this case is, moreover, very  
small & on the analogy of

cl-6.8  
11-6.8

article 1337 of the C. A. Code,  
is not of such an exceptional  
nature as to call for a  
special adjustment.

If it is decided not to  
adjust India, all but para 1 of  
the draft below may be deleted

As the amount Rs. 355 is  
small I do not think it  
is desirable to raise the  
large question in this case.
