EXPLANATORY REMARKS.

It does not appear to be necessary to entertain any Hospital Assistant in the current year. An expenditure of about Rs 66 have been adjusted from Provincial to Local funds on account of the Hospital Assistant entertained at Amidalavala. Rs 66 have therefore been provided on this account.

This house-rent allowance has been given by the Zilukh Board, Mohanpur to the Police guard stationed at Gopalpur. As the guard has been since removed, localities have been declared free from plague, this expenditure will not be incurred in future.

With reference to the remarks of Govt. in para 10 of G.O. No 1123 financial date 28 November 1918, it is submitted that though the hatcher was engaged from 1st August 1918, his pay for four months only has been paid up to date, as his pay for December is paid in January and particulars for this estimate have been furnished in the last week of December and this estimate is prepared and despatched at the 1st January. The estimate for December was despatched at the 30 November. Under these circumstances, actuals only up to the end of the month preceding that for which the estimate is submitted, can be furnished.

Provision is made under this head for a drawing of apparatus.

EXPLANATORY REMARKS.

Provision is made for the Hospital Assistant now at plague dug at the Barampore Railway Station. It appears unnecessary now to entertain any more Hospital assistants.

An observer no 3-12 has been employed in the Parlatkuri Municipality to observe persons arriving from plague infected areas. The Chairman has been asked to explain on what account Rs 10 have been spent. The Plague allowance is intended for the Hospital Assistant at Barampore.

Two watchers no 100 have been employed in the Barampore Municipality for reporting deaths from fever.

Rs 277 have been provided for expenditure in the next three months on Petty Construction and Repairs, as it may be necessary to erect sheds at any moment.

The Chairman of the Barampore Municipality has been asked to explain the details of the expenditure of Rs 5 on account of house rent and Rs 5 on account of travelling allowance.

Under C.O. No. 65-2 dated 18 June 1908, boat hire for the inspection of vessels is debitable to Port funds. No additional allotment under this head is necessary.

The only provision that is necessary under this head is that for a clerk for Collectors office at Rs 45. More than one month's pay need not be provided at this stage be provided on this account.
