From

Captain C. Donovan. M. D. I. M. S.,

Secretary to Surgeon-General with the
Government of Madras.

To

The District Medical & Sanitary Officer,
North Arcot.

Sir,

To avoid any misconception of duties and responsibilities which might possibly arise by the recent deputation of an additional Medical Officer to your district, I am desirous to say that the new officer is intended to relieve you of your ordinary duties so as to enable you to inspect the work of plague observation staff in the district. It is not, however, intended that he should conduct such duties independently of you, but should always obtain your instructions and advice in all important matters requiring disposal. He can deal with routine matters on his own responsibility assisted by the Assistant Surgeon, but all doubtful cases must be referred for your advice and orders as you will still remain the head of the medical administration in your district.

I have the honour to be,

Sir,

Your most obedient servant,

(Signed) C. Donovan

Secretary, Surgeon-General with
the Government of Madras.

To

II.
The Secretary to the Surgeon-General with the
Government of Madras.

Noted.

2. This principle has been adhered to in this district. All important matters and references are laid before me, the additional Medical Officer being responsible for only the routine

work. I hold entirely in my hands the reins of the Medical
administration of this district as before.

(Signed) John Lancaster.
District Medical & Sanitary Officer,
North Arcot.
