Mis. No. 1982.

Resolution.

The Board begs to submit to Government for sanction under Article 1159 of the Civil Service Regulations, two supplemental travelling allowance bills in which Mr. Bennett, Abkari Deputy Commissioner, claims for himself and his clerk staff daily allowance for halts made by them in certain stations in excess of ten days. The circumstances under which the claims are made are as follows:-

2. Mr. Bennett's supplemental travelling allowance bill for the months of November and December 1898 for Rs. 105. On the 7th November 1898, Mr. Bennett proceeded to Nellikuppam under the orders of the Board to supervise the gauging of the vessels in the new distillery there and halted there for 31 days from 8th November to 8th December 1898. The gauging of the last vessel was only completed on the latter date. Daily allowance for the first ten days of the halt was drawn by him in his travelling allowance bill for November 1898. As his prolonged stay at Nelli-

10/5/99

Nellikuppam was in the interests of the public service and as his expenditure in camp continued to be the same even after the 17th November 1898, his claim for the remaining period of his halt, viz, from 18th November to 8th December 1898, may be admitted.

Supplemental Establishment travelling allowance bill for June, July, October and November 1897, and November and December 1898. Sub-

Inspector, A. Ratna Mudali, who was on special duty in the Deputy Commissioner's office accompanied the Deputy Commissioner to Nellikuppam and halted there from 8th November to 8th December 1898.

He had drawn the halting allowance for the first ten days and his claim for the remaining days may be admitted as in the case of the Abkari Deputy Commissioner as he was also put to additional expense. In the same bill daily allowance has also been claimed

for the Deputy Commissioner's circuit clerk, B. Subba Rao, for halts made in excess of ten days at Waltair and Mangalore when he accompanied the Deputy Commissioner to those places on circuit. At Waltair he stayed with the Deputy Commissioner from 28th May to 30th July 1897 when the Distillery School was first held there and drew daily allowance only for the first ten days of the halt from the 28th May to 6th June 1897 in the establishment travelling allowance

bills for the months of May and June 1897. In October 1897, the Deputy Commissioner went to Mangalore to inspect the distillery and the new Government warehouse and stayed there from 24th to 28th October 1897, while his clerk who was ordered by him to go in advance reached Mangalore on the 20th idem. On the 29th the

the Deputy Commissioner left Mangalore, leaving his clerk behind, for Puttur, returned to Mangalore on the 31st October and stayed there again from 1st to 6th November 1897. The clerk had thus to stay there from 31st October to 6th November 1897.

Daily allowance for the clerk for the first ten days of his halt at Mangalore, viz, from 31st to 30th October 1897, was drawn in the establishment travelling allowance bill for the month of October 1897. The Deputy Commissioner reports that the clerk was put to much extra expense during his prolonged halts at both places and recommends that daily allowance may be given to

him for the whole period he stayed at Waltair and Mangalore.

In this connection the Board begs to point out that the officers detailed for training at the Distillery School at Waltair were granted the deputation allowances noted in the margin (Vide

* Inspectors and Assistant Inspectors Rs. 25 a month each.
Sub-Inspectors Rs. 15 a month each.

Government of India's

letter No. 2205 Ex, dated 14th May 1898). The clerk who accompanied the Deputy Commissioner has drawn none and it is therefore suggested that he should be granted daily allowance for the whole period of his halt in lieu of a deputation allowance to meet his extra expenses. The Deputy Commissioner has not claimed any allowance for his halts at Waltair in excess of ten days as he incurred no extra expenditure there in as much as he lived in the bungalow rented by Government for the use of the Distillery School.

3. The delay in preferring the claim of the Deputy Commissioner's clerk is much regretted. The Deputy Commissioner explains
