No. 2398 Misc.,

READ the following letter from C.A.Barber, Esquire., Government Botanist, dated 1st May 1899.

I have the honour to apply to the Board for their assistance in obtaining a suitable permanent advance in connection with my office.

I shall be glad if the amount is rather higher than it would be, if based on the Budget Estimates in G.O.No.1225 Financial dated 14th Decemeber 1898.

In the first palce those estimates were prepared by the Superintendent of the Government Museum, Madras, under the idea that the head quarters of the Government Botanist would be at the central Museum and that the expense and staff would therefore be less than is the case. Then the Government Botanist will be constantly called upon-as has already been the case- to advance money for the maintenance of the travelling expenses of his staff, and further as allowed for in C.VI. para 77 (1) of th Civil Account Code. The Government Botanist will frequently be far from the Treasury.

I leave the amount of the Permanent advance to the Board

as

Resolution.
