REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read

Read the following Proceedings of the Board of Rev
dated 6th April 1899
Land Revenue, A.No.86 Ref. on letter from C.H.Mounsey Esquin
Acting Collector of Coimbatore, to the Superintendent of Sta
tionery, Madras through the Secretary to the Commissioners
of Land Revenue, Madras, R.O. G.No.761/acct.supr. of 99 --
dated 29th March 1899.

Reference:-

In the letter read above, the Collector of --
Coimbatore requests the Superintendent of Stationery to --
supply him with a Yost type writer No.4 with appurtenances
on the authority of Government Order No.1222 F.D. dated 14th
December 1898 and Government Order No.194 Rev: dated 12th --
January 1899. As these orders do not sanction the supply of
typewriters but merely lay down the conditions on which --
applications for such machines may be made, the Board re--
quests that formal sanction may be accorded for the supply of
a machine to the Collector. The Board understands that the
supply will result in a substantial gain in the efficiency
of the work done and prevent any need for an increase in the
copying staff.

Read also the following Proceedings of the Board
dated 7th April 1899
of Revenue, Land Revenue, A.No.88 Ref. on letter from G.W.--
Dance Esquire., I.C.S., Collector of Malabar, to the Secre
tary to the Commissioners of Land Revenue, Madras, Ref.on G.
No.299/P-99 dated 20th February 1899, and Reference thereon
A.No.34 dated 3rd March 1899. and also on letter from the
same officer, to the Secretary to the Commissioners of Land
Revenue, Madras, Ref.on G.No.299/P-99 dated 22nd March 1899.

Reference:-

In the first letter read above, the Collector of --
Malabar

Malabar requests sanction for the supply of two type-writing machines

one to his office-one for the use of the correspondence branch and the other for the departments under the Treasury Deputy Collector such as Accounts, Treasury, Currency, Sea Customs, Press &c. Mr. Dence states that if the machines are supplied and no reduction is made in the existing establishment, there will be a substantial gain in the efficiency of the work done and that there will be no need for an increase in the copying establishment. He however points out that the recent orders of Government on the subject-viz. Government Order No.1222 F.D. dated 14th December 1898 and Government Order

No.194 Rev: dated 12th January 1899 are not clear and enquires whether it is still intended that a post on M.15 should be abolished or some similar reduction made in the existing establishment three months after the receipt of the each machine. The Board presumes that Financial Government Order No.1222 dated 14th December 1898 is intended to modify Government Order No.446 Financial dated 4th June 1897 which is read again in it and in which Government ruled that applications for the supply of type writers should invariably be accompanied by proposals for the reduction of copyist establishments. It accordingly recommends that the Superintendent of Stationery may be authorized to supply two type writing machines to the Collector of Malabar as requested by him and that no reduction should be made in the existing copyist establishments in the Collector's office.

--:-

Order thereon Misc.No.1987 dated 3rd June 1899.

The supply of a type-writing machine to the Collector of Coimbatore and of two machines to the Collector of Malabar, sanctioned.

The presumption expressed by the Board in its Memo. No.88 dated 7th April 1899, is correct, that G.O.Financial No.1222 dated 14th December 1898 is intended to modify G.O.Financial 446 dated 4th June 1897.
