FINANCIAL DEPARTMENT.

Read—the following paper:—

G.O., Mis. No. 709 M., dated 17th May 1899.

Read—Proceedings of the Financial Department, No. 461, dated 29th March 1899, communicating, with remarks, to the Revenue and Local and Municipal Departments resolution of the Government of India reviewing the Local loans estimates revised for 1898–99 and budget for 1899–1900.

Order—Mis. No. 709 M., dated 17th May 1899.

The loan of 7·75 lakhs to Local Boards and Municipal Councils, for which provision has been made under class IV, in the budget estimate of Provincial Loans and Advances for the current year, is made up as follows:—

1. Loans to Local Boards and Municipal Councils for plague expenditure	4·00
2. Loan to the Trichinopoly Municipal Council for the extension of its water-supply	0·50
3. Loan to the Tuticorin Municipal Council for water-supply scheme ..	0·50
4. Loan to the Coonoor do. for do. ..	0·50
5. Loan to the Bezwada do. for do. ..	0·50
6. Loan to the Vizianagram Municipal Council for water-supply scheme	0·50
7. Loan to the Bellary Municipal Council for the construction of a school-house	0·25
8. Loan to the Ootacamund Municipal Council for the drainage of the main bazaar	1·00
Total ..	7·75

2. As regards the loans on account of plague expenditure, the Local Boards and Municipal Councils concerned have already been directed in paragraph 3 of G.O., No. 714 L., dated 28th March 1899, to report whether they cannot borrow the required amounts in the open market. The loan of 0·50 lakh to the Trichinopoly Municipal Council has already been sanctioned, while the Government has undertaken to advance the amounts provided for the water-supply schemes of Tuticorin and Coonoor and for the construction of a school-house at Bellary. The allotments made for these works must therefore stand. No such promise has, however, been made in the case of the water-supply schemes of Bezwada and Vizianagram and the drainage

of Ootacamund, and when the question of financing these schemes is taken up for disposal, the suggestion made by the Government of India that the borrowing bodies should be desired to take steps to raise funds independently of the Government will be considered.
