O R D E R:— No. 1213 L.Mis., dated 12th June 1899.

In para. 3 of the G.O. read above, the Presidents of District Boards were requested to report whether the excess expenditure of 1898-99 under 24-Medical - Local, due to the extra charge caused by plague, was actually covered by re-appropriations sanctioned in the course of the year by the Local Boards or Government, as the case may be.

2. From the replies received, it appears that the necessary appropriations have been made in all districts, except Chingleput, Kistna, Madura and South Arcot where, however, savings under other heads having been available, steps are said to have been taken to obtain the sanction of Government to authorize the Accountant-General to admit in the accounts of 1898-99 the excess expenditure in each case.
