PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Collector South Canara C.No.536 dated 27" January 1899 pointing out that the budget estimate of plague expenditure for 1899-1900 as passed by Government contains no provision for the pay of the apothecary doing duty as Port Health Officer at Mangalore and requesting instructions with reference to recent orders whether a moiety of the same should be contributed by the District Board in future.

From the same officer C.No.336 dated 14" April 1899 requesting early orders on the letter read above.

From the President District Board Cuddapah dated 25" April 1899 No. 628 enquiring whether the charges of Road Frontier stations should be charged to Local or Provincial.

Order No. 798 P.Mis., dated 29" May 1899

The retention of the Apothecary at Mangalore is sanctioned.

Note for the C.A.

As it was not clear
what para 2 of the Collector's
letter refers to in the current
letter relates to, the original of G.O
No 798 P. Mis dated 29th May 99
has been obtained and put up.

The Plague Commissioners Reports
C. No 1352 dated 17th April 1899
and 2605 dated 2nd May 99 has
been disposed of in G-O- No 615 Mis
dated 17th May 99.

The question raised in para
2 of the Collector's letter no 326
dated 27th January 1899 is whether
the pay of the Port Health Offices
at Mangalore should be debited
entirely to Municipal with reference
to G-O- No 7 Fin. dated 3rd January
1899 or it should be distributed
equally between the District Board
and the Municipality. The Collr
now appears to be that under G-O-
No 7- Fin. dated 3rd January 99
the charge is entirely Municipal.

As the Port Health Officer is

gaged at the port of Mangalore
in the inspection of passengers and
vessels coming from infected areas
it is submitted that, under G.O.
No 261/2 dated 18th February 1899 and
G.O. No 479 Fin. dated 4th April 1899,
the charges should be ~~Provincial~~
Provincial in the same way as
the charges on account of the Inspection
post were treated as Provincial.
The question whether charges at all
Ports should be Provincial is now under consideration
(the papers being under circulation)
and the orders on the subject
may be awaited.

G.O. No 85 P Mis dated
25th February 1898 quoted by the Collector
does not appear to have been
communicated to the Fin. department.
If necessary, a requisition into the

1898. As it has however been
decided that the expenditure
at all Ports is to be treated
as Provincial, the pay of the
apothecary at the port of Mangalore,
who has been engaged for the purpose
of ~~inspection~~ inspecting vessels &c
coming from infected areas, should
also, it is submitted, be Provincial
