to the Director General of the Post Office of India, Calcutta

I have the honor to bring to

bring to your notice that Mr L. de la

Harpe, who is the Sub Assistant Colonial

Surgeon to the Ceylon Government

stationed at Ammapatnam for the examina-

-tion of passengers to Ceylon from parts

of India infected with plague, has been

using ordinary postage stamps for

official letters addressed to his

official superior at Colombo and the

Collector of Tanjore which are prepaid at

official rates and superscribed on Her

Majesty's service under his frank. I am

informed that this official of the Ceylon

Government is acting on instructions

received by him from the Honorable the

Principal Collector of Customs, Colombo

Post Office Department.

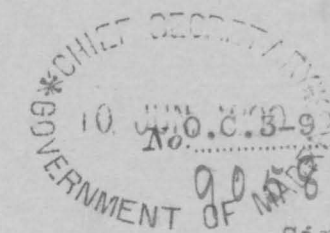

From

Sir,

Sir,

In forwarding herewith copy of

a letter No: 229 dated 8th May 1899

addressed by me to the Director General

of the Post Office, I have the honor to

inform you that the Director General

states that he has heard nothing from the

Ceylon authorities, and desires to be

informed of the wishes of the Government

of Madras in the matter. I beg therefore

that you will be so good as to favour me

with an expression of your opinion on

the

and that he has been recognized by

the Madras Government as a Ceylon

official posted to India for plague

purposes.

2. As it seems to me probable that

your sanction has been obtained by

the Ceylon authorities to use ordinary

stamps for official correspondence

at the Indian official rates under the

frank of the officer above referred to,

I have the honor to enquire whether the

procedure has received your approval

and if not, whether you have any objection

to the continuance of the practice.
