Note

Statements of direct charges incurred in connection with the plague up to the 31st May/99 under Provincial Local and Municipal have been compiled and put up below. Statement of indirect charges for April '99 under Provincial, Local and Port Funds have not yet been received from the A.G. All these statements will be disposed of in one G.O.

The statement of charges incurred in Municipalities for April '99 submitted by the Accountant General was incomplete, as statements of expenditure for that month were not received from 36 municipalities. In G.O. No 644 Fin¹ dated 30th May '99, the A.G. was requested to submit a supplemental statement, the attention of the Chairman concerned having been drawn by telegram to the omission by the Local Department.

No supplemental statement for April '99 has yet been received. The A.G. submits a statement for

May/99 and it is observed that information is still due from 23 Municipalities for that month.

Submitted that the A. G. may be asked to submit the Supplemental statement for April at an early date. ~~and that~~ The L. & M. Department may also be asked to issue strict orders to the Chairmen to submit their ~~the~~ statements of charges to the A. G. at once.
