From

HERBERT BRADLEY, Esq., I.C.S.,

ACTING SUPERINTENDENT OF STATIONERY,

Madras,

To

The Chief Secretary to Government,

Financial Department,

STONEHOUSE HILL.

Sir,

With reference to G.O. No.434 Financial dated 22nd March last, I have the honour to report that I have completed the contracts for the supply during 1899-1900 of paper manufactured at local Mills. The prices fixed are in all instances the same as last year and I have obtained the acceptance of the requisite quality and colour of paper by a process of distribution which ignored the private arrangement come to by the Mills. I found that by making definite offers of certain descriptions of papers to selected Mills they were all ready enough to agree to my demands as to quality, colour and price although they differed very considerably from what the Mills expected their agreement among themselves would produce.

2. The result has been a distribution of orders among the four Mills concerned on much more satisfactory terms to this Department than their tender would have given.

I have the honour to be,

Sir,

Your most obedient servant,

Herbert Bradley

Ag. Superintendent of Stationery.
