Proceedings of the Plague Commissioner:

R.C. On. C. No. 154 of 98. dated 6-1-99.

CHIEF SECRETARY'S
7 JAN 1899
GOVERNMENT OF MADRAS

Read:-

Plague Estimate for January 1899 from the Collector of Chingleput District.

15 Post Office- District Post Charges.- It is not clear why the Collector has transferred the provision for telegraph & postage charges to this head. It should appear under 3.A.LR. vide page 46 of G.O.No.1122, dated 28-11-98. The Collector is requested to explain the large amount of expenditure (Rs.704), also why a monthly provision of Rs.200 is now required, seeing that the original estimate for the whole year was only Rs.150. *The total in Col. 7 should be 1304 not 1454. The total Provision and the Grand Total require alteration accordingly.*

24 D. Local.-

Apothecaries. The Collector's proposal to have a reserve apothecary has been negatived and the provision on this account may be omitted.

Hospital Assistants. The Hospital Assistant was entertained only on the 23-9-98 and it is not understood how a sum of Rs.219 could have been spent on account of his salary up to the end of December 1898, as pay for ~~only~~ *only* 2 months & 7 days could have been disbursed within this period .

Supervisors of camps & Gumastahs. It should have been explained how the figure 47 in col. 3 has been arrived at.

Plague allowance. The only person drawing this allowance is according to the establishment list the Hospital Assistant at the Chingleput Railway Station appointed on 23-9-98.

The sum of Rs.138 is much in excess of the amounts due to this office at Rs. 10 a month and the Collector is requested to explain the difference.

24 D Municipal. The total estimate under this head as sanctioned by Government in G. O. No.1122, dated 28-11-98 id Rs.1222 and not Rs.3015.

Plague allowance. There is only one officer entitled to this allowance and as he was

understood how Rs.89 have been spent on this account. This officer seems entitled to house rent but no provision has been made for this. The establishment list shows 4 watchmen but the estimate makes no provision for their pay.

Petty construction & repairs. The proposed large expenditure of Rs. 1600 should be explained.

20 Police. No provision appears under this head. It is presumed the men on plague duty in the District are supplied from the reserve without causing any extra expense.

Plague Commissioner.

In the absence of explanation as to the transfer of the provision for postal and telegraph charges from Land Revenue to Post Office, it will be retained under the former head. The provisions of Rs 2 entered in Col. 3, 4 and 6 appears excessive and will be reduced to Rs 100 in each case.

Local As recommended by the Plague Commissioner the provision made for "Apothecaries" will be omitted. The inclusion under "Miscell

of the plaeable portion of the expenditure to be borne by this District Board [redacted] is incorrect (Para 25 of G. O No. 1122 dated 28 Nov'r 98) and the amount will be eliminated. As intimated in para 24(e) of G. O No 1122, Financial, dated 28 Nov'r '98; direct and indirect charges should be shown separately and estimates framed under each head. The Collectors accounts apparently include indirect charges also. Municipal. Details of the grant sanctioned in G. O. No. 1122 fin. dated 28 Nov'r '98, should have been entered in B.C.I.

The estimates as revised above by the Plague Commission will be otherwise accepted.
