EXPLANATORY REMARKS.

(f) The watchman in Nelapalam on Rs 3 who was watching the bathing and disinfecting shed in the beach left service, and a new man was not available on a salary of less than Rs 6. Sanction will be separately applied for for this new charge.

General. The charges on account of watching the plague shed in the beach and the allowance paid to the Hospital Assistant for the inspection of travellers by sea seem properly debitable to Provincial; but the Chairman has not reported the details of such charges debitable to Provincial under Government Order No. 479 Financial dated 4th April 1899, as against charges debitable to Municipal under Para 29 of the Regulations for the Inspection of Inward bound vessels, page 53 of the Plague Rules and Regulations. Information is being called for on the subject, and the next quarterly estimate will be framed with reference to that order. Rs 44-8-0 is however roughly provided under Provincial "Miscellaneous" to meet such charges in the current quarter.

The return from the Kumbakonam Chairman was received in this office only on the 4th instead of the 3rd; hence the delay in the submission of this return.
