NOTE FOR THE Secretary L & M Dept.

The plague establishment list of Godavari Dt. for July 99 was recorded in G.O No. 1079 P d/ 13-7-99 as the present establishment appeared necessary. In Rajahmundry & Ellore Municipalities an Hospital Assistant and Special Inspectors are employed with peons for inspecting passengers at railway stations. In Cocanada Municipality 4 servants are employed in watching the Sheds. The necessity for the appointment of 2 peons on Rs: 12 to watch passengers coming by rail has been explained in his letter disposed of in Plague Commissioner's Pro No: 371 d/ 8.2.99 - Plag W.

The estimate relating to each of the municipalities in this Dt. received separately on the 13th inst. ~~have been~~ were sent to Ooty on the same date with draft endorsement forwarding them to the Financial Department (Ref. in Cir No: 1806).

CHIEF SECRETARIAT

Local & Municipl Dept

Note for the Special Plague Assistant.

The marginally noted draft orders have been received for C. i. from the Financial Department. They state that the necessary orders regarding the reduction of plague establishments, which appear to the F.D. to be "unduly large" or ~~[illegible]~~ unnecessary, will issue in the L. & M/ Dept. Before counter initialling these orders the Secy wants to know whether the question of the necessity for the retention of the ~~plague~~ Establishment shewn in the ~~[illegible]~~ lists received this month & previously has not already been considered in this Dept. The Secy wishes to have a separate note for each district, together with the connected papers; & that these files should [illegible]nued as

33/6/41

Draft orders on

1. Fin. C No 2465 – Nellore plague Estimate
2. Do 2483 – Godavari plague Estimate
3. Do 2463 – Madura plague Estimate

for the yr. ending 30.9.99.

Put it this way
17.7.99

I would suggest: "the necessity for the retention &c will be considered in the L & M. Depart"

We will have to consult Sanitary Commissioner & S. G. I presume before doing away with Hosp. Assts. at larger Railway stations. It is however in my opinion worth considering if they could not be replaced in many places by lower paid clerks.

Note for the Secy

Ever since plague began to decrease in ~~this~~ Presidency, every opportunity is being taken to reduce establishments. The monthly lists are being steadily examined with this view for the last 3 months. It is true there is no plague just now in the Presidency, but a man ~~with plague~~ from Bombay may go to a village in Presidency & there develop plague. To detect such cases in time, the passport rules must continue to be worked as long as there is plague within 10 days' distance from the Madras Presy. At important and large towns, special staff to work these rules is required. The work of reducing the estabts has hitherto been done in this Dept & necessary orders have been issued. A general remark in the Financial Dept Draft G.O. that orders reducing Estabts will issue in L & M Dept does not therefore seem to be now called for.

A separate note is put up on each file with papers.

Seems a little harsh

19.7.9

It is not so worded.

It is suggested however that the wording of the G.Os in the 3 files below may be altered so as not to commit this Depart.
