Plague Estimate for January 1899 from the Collector of Cuddapah.

Ref. On. C. No. 134, dated 7-1-99.

24 D Provincial. The Collector should have entered in col.1 the revised estimate of Rs. 5830 sanctioned in G.O.No.1122 Fin. dated 28-11-98. The estimate provides for only the deputation allowance of the military officer on plague duty under G.O.No. 957 Fin., dated 27-10-98 provision would seem to be required for his entire emoluments. This provision should be entered under 3 A Land Revenue. Special District Officers, which heading should include all officers appointed under Additional Regulation 26. The words "expenses in connection with the Bubonic Plague-" printed under Provincial are a ^{general} expense heading and not an item.

Medical Officer. The Collector is requested to report whether Dr. Taylor's pay is only Rs.200. The establishment list does not show the clerk and the three servants of the Medical Officer. The sanction for their employment should be quoted.

24 D Local.

Matrons & Nurses. Provision is made for 4 Nurses, while the number according to the establishment list is only 3. Their pay and allowances should be regulated in accordance with Additional Mufassal Regulation 10. The authority for granting them a boarding allowance of Rs.1½ a day should be quoted.

24 D Municipal. Peons attached to Hospital Assistants on observation duty, and watchmen should be shown under "Servants" and not under "Ward attendants and servants". The latter heading is intended for Hospital establishment.

3 A Land Revenue. Col.I should not have been left blank as a sum of Rs.495 was sanctioned under this head in G.O.No.1122 Fin. dated 28-11-98.

20 Police. An estimate of Rs.300 was sanctioned in G.O.

The Collector is requested to forward a duplicate copy of the estimate.
