SALEM COLLECTOR'S OFFICE,

15 June 1899.

FROM

Robert B. Clegg Esq., I.C.S.

COLLECTOR AND DISTRICT MAGISTRATE,
Salem,

TO

THE SECRETARY TO GOVERNMENT,

Local and
Municipal Department,
Madras.

SIR,

With reference to Government order 854 P. Misc. dated 5th instant, I have the honor to state that the instructions contained in the Accountant General's letter communicated with the above, disagree with the order in Government order no. 215, Financial, dated 11th February 1899, which require that the emoluments of an officer who is employed solely on plague duty should be treated as a plague charge whether another officer is appointed to perform

original
called for
put up

his ordinary duties or not. The charges on account of certain Hospital Assistants attached to Local Fund Dispensaries temporarily closed, who were deputed for plague duty, were originally debited to the dispensaries under the Taluk Board's Concerned. Subsequently they were ordered to be debited to Plague with reference to G.O. No. 255 Financial dated 11. 2. 89. These require readjustment against the dispensaries concerned if the present ruling is to be followed. I therefore request definite instructions in the matter.

I have the honor to be,

Sir,

Your Most obedient Servant,

C. No. 2348, Finl.

Note.

In G.O. No. 215 Finl. dated 11th February 1899 it was laid down that the emoluments of an officer who is employed solely on plague duty should be treated as a plague charge whether another officer is appointed to perform his ordinary duties or not.

2. The Hosur Board Primary School having been closed, the Head Master was appointed by the Collector to be a clerk to the Civil Apothecary for

plague work. In G.O. No. 854 P. Mis, dated 5th June 1899, the L. & M. Dept. communicated to the Collector of Salem copy of a letter from the Accountant General stating that the pay of the clerk should be debited to "Education".

3. The Collector of Salem points out that the two orders above referred to do not agree; that the charges on account of certain hospital assistants attached to Local Fund dispensaries temporarily closed, who were deputed to plague duty, were originally debited to the dispensaries concerned and subsequently debited to "Plague" with reference to G.O. No. 215 Finl. dated 11th February 1899; and that, if the ruling in the L. & M. G.O. is to be followed, the charges should be readjusted against the dispensaries concerned.
