LETTER—TO

THE UNDER SECRETARY OF STATE FOR INDIA.

SIR,

I am directed to state that seven copies of the "History of Services of Gazetted Officers in the Madras Presidency," one of which is intended for the British Museum, have hitherto been addressed to the Right Honourable the Secretary of State for India, the last supply having been despatched on the 15th September 1898. In order to secure uniformity of procedure in the transmission of official publications to the India Office, these copies will, if there is no objection, be addressed, in future, to the Registrar and Superintendent of Records, India Office, in conformity with the instructions contained in paragraph 5 of Lord Kimberley's despatch No. 6, Public (Records), dated 4th May 1893, one of these copies being packed separately for the British Museum.

I have the honour to be,

Sir,

Your most obedient servant,

NOTE FOR THE

C. A. with ref
note at foot of G.O. 646-7 8 31-5-99.

Previous to 1879,

present History of Services of Gazetted Officers in this Presidency confined itself to the record of the services of Covenanted civilians only. Under G.O. 930 Sub 8 12-6-79 it was expanded by the addition to it of the Services of gazetted Officers in the Police, Forest etc departments. Again the History was till 1885 issued corrected up to the end of every calendar year i.e. up to the 31st December of every year. Under the Secy of State's instructions contained in G.O. 2964 Sub 8 19-12-85 it was ordered to be issued corrected up to the 1st July in each year; to this was also added accounts of literary works, if any, of the Officers, whose services are recorded therein.

The history of the supply of this publication to the India Office is as follows:— In January 1881, the Secretary in the Revenue

Revenue, Statistics & Commerce
Department of the India Office,
requested that if any history
of services of all Civil, Military
and Judicial officers were pub-
lished in this Presidency, six
copies thereof might be furnished
for the use of the Secy of State
at an early date. The pub-
lication. Accordingly 6 copies each
of the History of Services of
the Members of the Madras
Civil Service connected up to
16th December 1880 and ^{one copy} of the
History of Services of Gazetted
Officers in ^{the} Civil Departments
in the Presidency connected up
to 31st December 1879 were sup-
plied. A further supply
of six copies of the latter con-
nected up to 31st December 1880 which
was then in Press was also
promised & as soon as copies
were ready, ~~these~~ were sent
home with letter N^o 719 Pub
d 28.5.81. Since then 6 copies
of the History of Services have
regularly been supplied to the
India Office addressed to

the Rt Hon. the Secretary of
State. Since 1894, an additional
copy is being sent to the British
Museum under G.O. R 900 Fint 820th
September 1894.

The foregoing is the past his-
tory of this publication. As to
what should be done in future,
in regard to the transmission of
copies of this publication, it
is submitted, that the same
remarks in the case of the Quar-
terly Civil List apply to the
History of Services of Gazetted
Officers also. This, like the
Quarterly Civil List, is printed
in the Lawrence & Co. Press,
under a special arrangement,
but is issued under the super-
vision & authority of the Acct^y
General. As such, it is an
official publication and
should, it is submitted, be brought
under the operation of G.O. 184 Fint
84.2.99. The A.G. should be
asked to treat it as an official
publication for purposes of
transmission to the India Office

I

M

And the Supdt Govt Press to
include it in his quarterly
list of official publications.

Canb

Again, as stated above,
6 copies of the History of Services
are sent to the I.O. addressed
to the Rt Hon^{ble} the Secretary
of State. Until recently, copies
of the Quarterly Civil list
had been forwarded to the address
of the U. S. of State, but under
instructions from Home in fo.

N^o 646-7, Feb 2, 31. 5. 99, these
will, in future, be addressed
to the Registrar & Supdt of
Records, India Office, in accordance
with the Secy of State's Des.
patch N^o 6, Public Records, dated
4. 5. 93 (fo. 623 Feb 2 30. 6. 93,
printed in fo 188 Feb 2 4. 2. 99).

N

In order to secure uniformity
of procedure in the transmission
of books to the I.O. it is subd,
that copies of the History of
Services also, may be ~~as~~ forwarded, in future,
to the same address vizt
the Registrar & Supdt of Records,
India Office.

O

~~It will~~ It will
be safer to tell India
Office what we intend to
do. Put up draft saying
if there is no objection
this course will be followed

It is also submitted that the
copy for the British Museum being
packed separately & labelled, the
I.O. would find no difficulty in
forwarding it to its destination.
As for the 6 copies which go to
the I.O. for the ^{use of the} Secy. of State,
it is a matter for consideration
whether the change of address
of the packet should be offi-
cially intimated. Though the
packet is addressed to the Secy of
State, the copies presumably go
to the Registrar & Superintendent
of Records. If this presumption
is correct, the change in the
address could not signify much,
and a formal intimation
would, it is subd, be unnecessary.

Again, the practice hitherto
in regard as to the receipt of
copies of the History of Services
has been as follows: - Sixteen
copies (9 for use in office +
7 for transmission to I.O.) are
sent from by the L.A. Press
direct to the Financial Dept.
Of the seven, one is sent to

packing one of them for the British
Museum. The remaining nine copies
will be sent ^{as now direct} to the Financial Dept.

3. The ^{seven} ~~two~~ copies of ~~the following~~ ^{have list} ~~which had been~~ been addressed to the Secretary of State, with in future be addressed to the Registrar
