EXPLANATORY REMARKS.

The total expenditure under 24 D Medical Provincial as per Treasury accounts for April, May and June /99 is Rs 10,182-14-2, but as per this Statement is Rs 11721. The difference is due to the expenditure incurred in April on account of Railway Inspection Staff and Contingencies having been debited to Local instead of to Provincial. Necessary adjustments will be made in this account in the current month.

Since the beginning of the current month there have been only 20 Sanitary Inspectors and hence the decrease in the estimate for the current and ensuing quarters under Sanitary Inspectors & peons.

* Provision is made on account of Mr Stockings' (Apothecary) additional pay for plague duty.

EXPLANATORY REMARKS.

The total expenditure under 24 D Medical Provincial as per Treasury Accounts for April, May and June 1898 is Rs 10182-14-2, but as per this ~~estimate~~ statement is Rs 11721. The difference is due to the expenditure incurred in April on account of Railway Inspection staff and contingencies having been debited to Local instead of to Provincial. Necessary adjustments will be made on this account in the current month.

cant be reduced

Since the beginning of the current month there ~~have~~ are only 20 Sanitary Inspectors hence the decrease in the estimate for the current and ensuing quarters under Sanitary Inspectors and peons.

* Provision is made on account of Mr. S. Stockings' (Civil Apothecary), additional pay for plague duty.
