SOUTH CANARA COLLECTOR'S OFFICE.

Mangalore,

20th May 1899.

FROM

A. F. Pinkey, Esquire,

Ag Collector of

South Canara,

TO

THE CHIEF SECRETARY TO GOVERNMENT,

Local & Municipal Department,

Fort St. George.

Sir,

With reference to Government Order, Reference on C. N. 4806, dated 10th May 1899, I have the honor to report as follows:-

1. Government in its telegram dated 17th Instant, having ordered the abolition of all the frontier inspection stations in the District for the present, the replacement of the Apothecary at Charmadi by an Hospital Assistant is not needed now. If it should become necessary to reopen the stations after the monsoon, I think we might post an Hospital Assistant of a superior grade to this station also. When the stations were first started, it was however considered desirable to post an Apothecary to this station on the ground of its importance and in view of the fact that some plague cases had then recently occurred in the Kadur District.

2. The

2. The Medical Officer at Baindur is given a monthly allowance of Rs 5 from 23rd September 1898 for inspecting vessels arriving from plague-infected parts. As regards the Medical Officers at Malpe and Gangoli, the President, District Board, has lately decided to grant them (who are both Apothecaries in charge of the Udipi & Coondapoor Hospitals respectively) a monthly allowance of Rs 15 each with effect from 1st April 1898, excepting the months of June, July & August.

3. I presume that the order which was intended to be quoted in para 2 of the G.O., under report is G.O. No. 479, Financial, dated 4th April 1899. Having regard to the instructions contained in this G.O., I consider that the charges incurred on account of Establishments employed at seaports in this District for the inspection and observation of travellers should be transferred to Provincial as they were intended for general control. On the other hand, the cost of the Establishments at the frontier inspection stations should in my opinion remain a charge on Local Funds as this District was never infected and as these stations were meant only to prevent the spread of the epidemic from

from Mysore to this District - which is one of the two Districts lying between Mysore and the Arabian Sea and forming the western terminus of the Presidency.

I have the honor to be,
Sir,

Your most obedient servant,

D. Smith

NOTE FOR THE CHIEF SECRETARY.

With reference to para 2 of the L.&M.G.O. it has already been decided (vide notes by the Chief Secretary, the Secy. L.& M. and H.M. on pages 7, 5 & 4 of the notes connected with G.O. No. 698 Finl. dated 16th June 1899) that the question of ~~constitution~~ ^{distribution} should be left alone and should not be reopened. The presumption in para 2 of the L.&M.G.O. under disposal is, therefore, correct; but it is submitted that the ~~procedure adopted~~ ^{doubt which involved} one department of Govt. raising points on an order of another department- should have been settled by U.O. reference and not by inclusion ^{or} of a ^{query} ~~query~~ in a proceedings of Govt.

The questions raised in the letter from the Collector of S. Canara are answered as follows:-

(1) All plague expenditure incurred on the inspection observation of travellers by sea debitable to Provincial.

(2) Expenditure incurred at frontier Inspection Stations is
