Note

The cost of construction and maintenance of plague camps &c at a Railway inspection station is a Provincial charge. No provision has been made under Petty Construction and repairs ~~[illegible]~~ in the Salem district in the last plague estimates. The necessary provision will however be made in the current quarterly plague estimates. The actual cost involved is rather large. The G.O. should have been sent for C.C. Did it not come? If necessary the original will be called for;
