From

ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Secretary to the Government of India,

Finance and Commerce Department
Thro' The Comptroller and Auditor General,

SIR,

I have the honour to state that in 1888 the Accountant General reported to the Comptroller General that one of the clerks whose entertainment was sanctioned for High Court work had always been employed on the ordinary duties of his office, and the Comptroller General consequently sanctioned his pay being charged in the same way as that of the general establishment instead of to "Law and Justice".

2. On my taking office...

that the High Court establishment charged to Law and Justice consisted of 3 clerks and two servants. One of the clerks had been employed for years in the Correspondence Branch, and had nothing to do with High Court work - the servants had also been absorbed in the general establishment. A second clerk was attached to the High Court Section, but he assisted in the general duties of the Book Department, and he was not really required for High Court duties, so I transferred him to another section of the office -

3. The establishment then remaining for High Court duties, and all that was necessary was one clerk. I, therefore, according to the procedure adopted in 1888 asked the Comptroller General to sanction the salary of the two clerks doing duty in my general establishment and the two servants being charged to General Administration.

informs me that I should apply to the Government of India for the transfer of the High Court Establishment employed on general account duties to my ordinary establishment.

5. I have the honour, therefore, to solicit that the Government of India will be so good as to sanction the transfer of the establishment mentioned to my regular establishment. A proposition statement is attached. The clerk performing High Court duties is only in receipt of Rs 30-4-50 per mensem, the work he does is mere routine, the important duties being done by the Superintendent, Book Department.
